To whom it may concern,

Bruno's Tuck pointing has performed several masonry related projects for Garnett Corporation as one of our premier masonry sub contractors. Bruno's has proven to be conscientious and reliable with respect to the various critical scenarios in which they were utilized. All projects were performed and completed both on time and in a timely, professional manner. If I may be of further assistance or should you require additional information regarding the performance of Bruno's Tuck pointing do not hesitate to contact me.
