Re; Bruno's Tuckpointing, Inc

To Whom It May Concern:

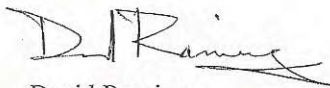

dr/Balti had the opportunity to work with Bruno's Tuckpointing on the Immanuel Evangelical Lutheran Church project.

Bruno's Tuckpointing handled their scope of work at the church in a very professional Manner. Their work exceeded our expectations. They performed their scope of work In the time allotted and always made the extra effort to ensure their site was clean after their work was finished.

Bruno's completed the job to our satisfaction and also to our customer's satisfaction.

If you should require any further information from us, please don't hesitate to call; 773-847-2951.

Sincerely,

David Ramirez  
Vice President
